Low dilution 2 - 16 oz/gallon

ultra super heavy duty degreaser 3D

DESCRIPTION

The secret behind Ultra Chem Lab' 'Super Heavy Duty Degreaser 3D' is its unique Electrolytic Cleaning and Conditioning technology combined with a 3 dimensional surfactant that electrolytically removes soil imbedded deep in the substratum.

- Restores shiny appearance
- Removes old residue chemical from previous cleaners
- Non dependent on pH, solvents, ammonia, caustic builders
- Minimal residue
- Designed for the toughest forms of soil/dirt

ULTRA TECHNOLOGY USED:

1. ELECTROLYTIC CLEANING TECHNOLOGY
2. SELECTIVE IMPLOSION TECHNOLOGY

Properties

Color: Red

Detergency:

Electrolytic Ionic Type

Foaming: Minimum Foaming

Fragrance: Fragrance Free

pH: 9.8 +- 0.5

Rinsability: Complete

Wetting: Excellent

Emulsification: Excellent

Shelf Life: 2-3 years depending
on storage conditions
